## An Excellent Development Opportunity – Building Plot with Planning Permission

An exciting chance to acquire a single building plot tucked away from the main road, set within an established and private location in a sought-after area of town. Access will be provided via a newly constructed driveway.

### Property Overview:

Planning permission has been granted under reference HS/FA/23/00850 for a well-designed residence offering approximately 900 sq.ft. of living space. The proposed layout includes:

A spacious living room

A kitchen/breakfast room with doors opening onto the garden

Three bedrooms (or two, depending on preference), including one with an en-suite

A separate family bathroom

### Development Responsibilities:

The purchaser will be required to demolish the existing garage to facilitate the new driveway. Additionally, the buyer will be responsible for installing fencing between the new property and the neighbouring home, Woodlands, subject to the owner's approval.

### Further Information:

It is understood that all mains services are available nearby. The plot is not subject to any Community Infrastructure Levy (CIL), though confirmation of any potential Section 106 contributions is still awaited.

Tenure: Freehold
